Courageous Advocacy Explored in the School Council

This week Mr Rupert Everett from the Diocese Education Team came into school to work with a group of School Councillors on 'courageous advocacy'. Courageous Advocacy equips children with the skills, tools, confidence, and opportunity to speak up and take action on issues they feel are important.

They spent a morning exploring how children can feel like they are able to speak out and have a voice in school. They also looked at how they could put forward worthwhile projects that would make school an even better place to be for our children.

Mr Everett was really impressed with the enthusiasm and energy of the councillors he spoke to and felt that they were really keen to act on the morning's work – I am expecting a proposal from them very soon!

Parents and Carers Join Class R for Phonics Lessons

It was lovely to see many parents and carers coming into class this week to find out more about how we teach phonics at school. Not only does this enable a more uniform approach to early reading between home and school; but it also cements the positive relationship we have together.

Clubs

Hopefully you should all have received a letter this week detailing the clubs on offer for children. Please use this letter to sign your child up for any clubs available to them. As usual, lots of staff are donating some of their time to run extra-curricular opportunities for children and we hope lots of children sign up for them.

There will be a couple of extra items added to the list next week.

The Big Breakfast Munch Brunch Menu.

Next Thursday the school kitchen are putting on a special 'brunch menu'. We hope everyone will give it a go. The menu will be as follows:

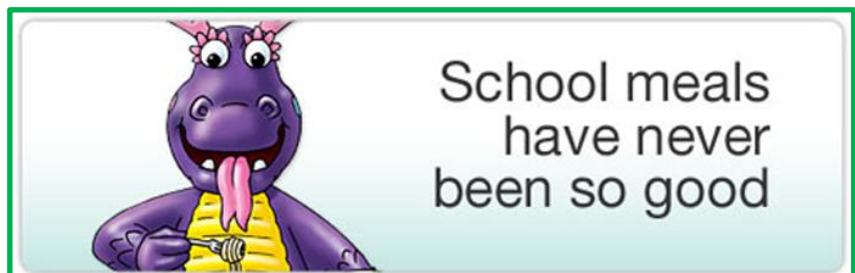

Bacon & sausage **OR** vegetarian sausage

Both served with hash browns, tomato, baked beans, mushrooms & omelette

OR

Munch Brunch bean & cheese star wrap served with hash browns, tomato and mushrooms

Desserts – Pancakes with syrup, fresh fruit platter or Fruit yoghurt pots
