Keep Christmas Well Everyone

Well, that brings us to the end of a fun filled, enjoyable and productive term. Thank you to everyone who has contributed to everything we have achieved since September. All staff, Governors, parents, carers, family, friends and – of course – our wonderful children. Enjoy the festive season together and keep Christmas well. I look forward to seeing you all next year! **No more get ups 'til 2023!!**

Party Time in School

This week saw all classes enjoy a party afternoon. Music, games, fun and festive food. It was lovely to see our infants are all still on the good list too, as Father Christmas came to pay them a visit and leave them with a small gift, courtesy of the PTFA.

Calderdale's Music Service Come a Carolling

Also this week we had the pleasure of being entertained by several members of Calderdale's Music Service. They dropped in and sang some carols for the children. I must say, they were absolutely brilliant and if anything was going to get us in the Christmas spirit it was this. We can only thank them for taking the time to visit us this week – inspirational stuff.

Christmas Service

Despite the disappointment of not being able to hold our Christmas Service at St Peter's Church this year, we still enjoyed the readings and songs together in the hall. Reverend Jeanette came along and it was a lovely way to focus on the real meaning of Christmas together. Pictured are some of the readers in their costumes. Well done to all of the children who read a part, especially those who stood in for an absent classmate at very short notice.

Buddies Swap Christmas Gifts

One thing that I feel works really well here at Triangle is the 'buddy' relationship that we set up between our Reception children and the Year 6 pupils. They really do love their buddies! Here's a picture of some of them just after they had exchanged specially made Christmas gifts with each other.

This term's Star Awards go to ...
