## Weekly Newsletter

17<sup>th</sup> March 2023

22/23 – 24

### Science Week

This week we have celebrated Science week by taking on some STEM challenges. STEM stands for 'Science, Technology, Engineering and Maths,' and as the theme this year was connections, we thought these activities would be great fun and appropriate.

Some classes also got parents and carers involved, which was lovely to see. Thank you to everyone who managed to attend the sessions and to Mrs Forrester for coordinating the event.

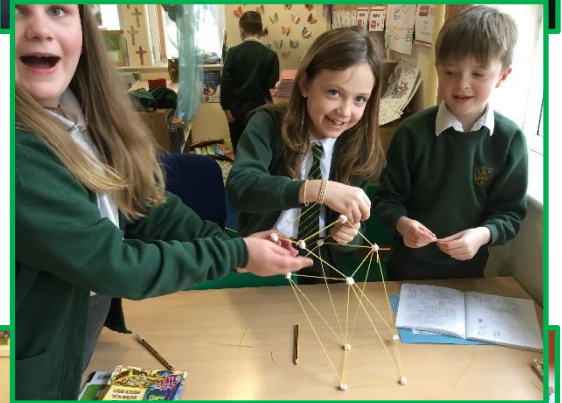

### Netball Club Fixtures

This week our netballers travelled over to Elland in a minibus to play a friendly fixture against Old Earth. This was the first game many of the children had played and Mrs Forrester/Mrs Moorhouse were mightily impressed with how things went. Here's what Mrs Forrester thought about the fixtures.

'The netball squad consisting of Year 4, 5 and 6 children played a couple of matches against Old Earth this week. They all did us proud, as for most of them, this was their first experience of a competitive netball match. The A team played first. This was a very even contest, where both teams fought really hard to end in a 4-4 draw. The second match was the B team, who showed great courage, as some of them had only just started netball in the last couple of months. They gave the other team a really good match and even though they lost, they had big smiles on their faces.'

### PTFA Mothering Sunday Secret Shop

You could feel the excitement in the corridor this morning, as lots of our children chose gifts and wrote labels at the PTFA's Secret Shop for Mothers' Day. There was a wide variety of gifts to choose from and it was lovely to have the event up and running again. Many thanks to everyone who played a part in helping to make it happen. I am sure that there will be lots of happy Mums and Grandparents on Sunday! Look out for details about the PTFA's Easter plans next week.

## Book Fair

If you haven't visited the book fair yet, it is here until Tuesday 21<sup>st</sup> March near the main entrance (please collect your child first then bring them round). There is always a really good selection of books/stationery and the prices are very reasonable - you can browse the range

here: [www.bookfairs.scholastic.co.uk/travelling-books/the-books](http://www.bookfairs.scholastic.co.uk/travelling-books/the-books).

The book fair helps us keep our books for the children to use in each class up to date - every purchase earns the school rewards which we can spend on free books to stock our library and classrooms, so it does make a real difference to us. Children will be given a World Book Day £1 token which they can use against the cost of a book. Payments can be made in cash or by paying online at [bookfairs.scholastic.co.uk/travelling-books/pay](http://bookfairs.scholastic.co.uk/travelling-books/pay). Thank you for supporting the school with this.

## Visitors In School

On Monday we had a sheep and 2 lambs visit school. William P's Mum in Class 3 kindly brought them in to see 3 Corners and some of our younger children. Despite the weather the younger children enjoyed seeing them. Thank you for bringing them in to see us.

## Events for the week commencing 20<sup>th</sup> March 2023:

**Monday:** No Karate Club. Emergency First Aid Training for Pupils. Book Fair.

**Tuesday:** Netball and Y3/4 football fixtures at The Gleddings. Book Fair.

**Wednesday:** Governor Meeting.

## TRAVEL TO SCHOOL SURVEY

Tell us about your child's journey to school to be in with a chance of winning one of five £50 supermarket vouchers.

Scan the QR code above to take part in our survey or visit [www.activecalderdale.org/SchoolTravelSurvey](http://www.activecalderdale.org/SchoolTravelSurvey)

★ Friendship ★ Trust ★ Courage ★ Forgiveness ★ Compassion

Stand firm in the faith; be courageous; be strong. Do everything in love.
