### An 'Amazing' Trip to the Theatre!

This week we took two minibuses full of juniors to the Alhambra Theatre in Bradford to enjoy the West End Production of Joseph and the Amazing Technicolour Dreamcoat. The show lived up to expectations and an AMAZING time was had by all.

Lots of the children 'dressed for the theatre' and they were wowed by the performances and the songs. It is great to be able to continue to provide such opportunities for our youngsters.

Look out for the next one!

I must also say a big thank you to the staff who accompanied the children, with a special mention to Miss Todd, who stepped in at the last minute.

### Harvest Festival

Thursday should have seen the whole school attend the first church service of the school year – our Harvest Festival. Unfortunately the weather had better ideas and we took the decision to hold the service in school.

Whilst it was disappointing that family and friends couldn't join us, the children still performed their songs and poems to each other, as well as singing the communal hymns as one. It was also great that Rev. Jeanette made the effort to be with us for the service.

As part of the celebrations, we asked for donations for Happy Days, a local charity who support the homeless in the area.

Thank you for all the items you sent in, I am sure they will be thrilled. Here's a photo of some of the School Council and the donations you sent in.

### 1 Trip to Forgotten Forest

Class 1 had a fabulous time this week on a trip to Forgotten Forest, but don't just take my word for it, here's what some of the pupils had to say.

'It was so much fun! I liked making things out of clay.' Jeorgie-Rose

'There were lots of marshmallows to toast and eat. I've never toasted a marshmallow before.' Rose

'I felt proud and happy because I found lots of dinosaur bones and autumn leaves. It was so awesome when I ate the marshmallows!' Ely.

## Break a Rule Day

It's a good job I wasn't around to see it, but apparently our children went around breaking rules today!

Strange coloured hair, jewellery, tattoos! The list goes on.

It was of course the PTFA's idea for a fun end to a busy half term. The donations made will swell the funds that the PTFA are planning to use to fund projects around school. Pictured are just a few of the dastardly rule breakers seen in school today!

## Christmas Wreath Making – A Change of Date

The PTFA have had to change the date of their wreath making session. It will now be Friday 25th November, 6.30pm in the school hall. The price is just £20 per person – fantastic value compared to similar events! Ticket price includes the wreath, foliage, ribbons, a drink and nibbles. You can of course bring anything you have that you wish to add (decorations, lights and so on).

There'll be music and general festive feel in the school hall. Numbers are limited and booking is necessary. If you would like to book a place could you please email the school office using the subject 'PTFA Wreath Making'. Last time the PTFA did this it was a great success, so please book your place(s) early.

## Closing Date for Secondary School Applications

Just a reminder that the application deadline for Secondary School Applications for 2023 closes on Monday 31<sup>st</sup> October 2022.

## Clubs after Half Term

Just to confirm, clubs will continue after half term. There are a couple of clubs that will require new payments as they are run by outside specialists who we pay to run the clubs. Any children attending these clubs will have a request for payment early in the new half term.
