Strike a Pose – Introducing our new School Council and Play Leaders

After more democratic voting in the juniors, our new School Council has been formed. Congratulations to the chosen children. I would like to see this 'voice of the people' develop its role this year to make sure our children feel that they can have a say in certain aspects of school life.

Y6: Lily-Rae, Albert, Henry, Ernie.

Y5: Holly, Jenson.

Y4: Dexter, Gabriel.

Y3: Catherine, Barnaby.

Also this week, a group of our Class 5 children undertook some Play Leader training at Ryburn. They have committed themselves to taking turns in organising games and activities for our younger children over dinner times.

Thank you to you all for doing so.

Joseph and the Amazing Technicolor Dreamcoat

I am pleased to say that the response to this fabulous opportunity has been good and the visit is over subscribed. Please do not send any more requests in. I will be deciding soon and informing everyone if they have received a place.

Children who do not get a place will get priority at the next opportunity.

Clubs in School are Up and Running

It is good to see most clubs begin this week. Lots of enthusiastic children keen to enjoy a wide range of opportunities. There are still spaces in some clubs, so don't be afraid to enquire with the school office.

Pictured are some of the children at our new History/Archaeology Club investigating a range of artefacts and a couple of children at the thriving Chess Club taking each other on.

Yet more clubs begin next week (the Monday clubs) and I look forward to seeing lots of our children engage in purposeful and enjoyable out of school activities. If you would like to help with a club – or even start a club up, please get in touch.

Parent/Carer Information Evening

Thank you to everyone who came to the recent parent and carer information evening. I hope you found it useful. We always value your feedback and it was lovely to hear some positive comments over the course of the evening. Here's one example from a parent who took the trouble to message me: 'Just a note to say what a fantastic evening - thank you. All the children were so helpful, happy and polite too. The content was very useful and just what we need as an introduction to the school, very helpful!'

Whole School Photograph

Next Tuesday, weather permitting, we are having a whole school photograph. It is the first one we have taken since 2017/18, so I am really looking forward to seeing the result and adding it to the (almost) 20 years of Triangle history up in my office. Please can you ensure that your child comes to school in smart school uniform, including a green school jumper, cardigan or sweatshirt.

Special Needs Awareness Day

This week the whole school came off timetable to enjoy a day focussing on everyone's uniqueness. Activities saw children move around classes to spend time learning about various Special Educational Needs. A small sample of work done is available to view in the main entrance; please take a look if you have a few spare minutes.

The photographs show just a couple of activities the children did through the day.

Inter-House Cross Country

Next week we will run our first Inter-House event of the school year, the cross country. Please can you ensure that your child has something appropriate to wear on their feet. They can come in trainers for the day if that helps. Thanks.

Events for the week commencing 19th September 2022:

- Tuesday:** Whole School Photograph
- Thursday:** Flu immunisations, Y5/6 football match
- Friday:** Achievement assembly, Inter House Cross Country
