Disruption Caused by Industrial Action by NEU

Earlier this week parents and carers should have received an email with a letter attached explaining how school will probably be disrupted next Tuesday due to the industrial action being taken by the NEU teaching union. At the moment, there is nothing to suggest that the plans we have made will need to change, but I will inform you as soon as possible if they do.

Year 1 Trip to the Yorkshire Sculpture Park

Year 1 took the school minibuses to spend an enjoyable and productive day at the Yorkshire Sculpture Museum this week. The weather was kind and children had a great time exploring exhibits and creating their own masterpieces.

'I liked seeing the giant eyeball because there was a picture of a bug on it! It was a good trip because I made sculptures.' Teddy.

'We all saw a big tree house that was even bigger than Mr Davies! The best bit of the trip was making a sculpture. I did one with Rose and we made a fort.' Isla.

'We saw a giant octopus that was made from gems. I liked it because it sparkled. I enjoyed making a sculpture with Willow and Sophia because I like doing things together.' Rainer.

PTFA Disco

Well, what a fab and groovy time we all had at the PTFA Disco this week! Dancing, games, refreshments and FUN!

It was lovely to see children enjoying themselves in their party gear.

They even got some of the grown ups strutting their funky stuff!

A big thank you to the parents who helped on the evening as well as all the staff who stopped and joined in.

At the moment we think the event has raised about £500 for the PTFA, which is brilliant. These much-needed funds are helping to replenish the accounts after significant spending recently on the following:

- Reception covered outside area.
- 'Values Bench' in the main playground.
- Replacing outdoor planters.
- Minibus contributions.

The next event planned is a Secret Shop for Mothering Sunday, so please look out for detail of this that will come out soon.

World Book Day

We will be celebrating World Book Day next Thursday in our classes. Children are welcome to bring in a favourite book from home to share with their class if they wish (please ensure books have a name on somewhere so they don't get mixed up). Our Book Fair will be arriving in a couple of week's time - more information to follow soon! If you'd like to get involved with World Book Day at home, there are lots of ideas, videos, audiobooks etc to be found here <https://www.worldbookday.com/families/>

Marie Curie Daffodil Appeal

Next week we will be selling Marie Curie Daffodil badges to support the great work that Marie Curie do. Suggested donation is £1 and Year 6 children will go to each classroom every day next week. Thank you.

Change to Weekly Awards

After a period where we have helped to 'embed' our school Christian Values by using them as the themes for our weekly awards, we have decided to make a slight change, beginning this week.

From today, I have been asking teachers to nominate a child or two (if they feel it is deserved) for a 'Star of the Week'. The nominated children will be awarded a certificate in Friday assemblies.

Our Christian Values will still underpin much of what we do in school and we will be adding some termly awards based on them. Watch out for this as we approach Easter.
