22/23 – 12

PTFA Christmas Fair

We hope to see many of you at school later this evening to join us for the Christmas Fair. It has been a while since our PTFA have had the opportunity to organise this sort of event, so we hope that you can find an hour (and a few pounds) to support it. There will be stalls, games, refreshments and Father Christmas! The raffle will be drawn at the end of the event, so please make sure that any tickets and money are returned to school today.

Please also remember that all items are cash only.

If you are coming by car I would urge you to park away from the immediate school area.

See you all there!

Santagrams

This is the third year we have been involved with the team at Home Instead Calderdale, who are working with seven primary schools across Halifax, Sowerby Bridge and Brighouse and other local businesses to distribute a bit of Christmas cheer to our elderly communities this winter. Our children have put their creative talent to good use, designing Christmas cards and writing messages inside to donate to older people across Calderdale this Christmas. Thank you to Julie at Home Instead for letting us be involved again. Here is a picture from their website showing some happy recipients from last year.

Christmas Disco

I have had to take the difficult decision to postpone the disco planned for next week. It is just one thing too many I am afraid at a very busy time. The stage will still be up, restricting the amount of space available and infants will have just performed their nativity play.

Children will still have their parties during school time and there will be future opportunities to have discos after school. Sorry for any inconvenience caused.

Cross Country Update

This week we took over 20 children who had qualified for the Calderdale Cross Country Competition. A fantastic number for the size of our school. As they did at the recent Sowerby Bridge area comp, all children tried their very best and gave a good account of themselves. Several children placed in the top 10, with Hector earning a bronze medal in his race. Well done to all competitors.

Wreath Making a Creative Success!

Thank you to everyone who joined in with the PTFA's wreath making evening at the end of last week. The event went really well and some of the finished products were amazing.

Request from Reception

Please can Reception have any small boxes, wrapping paper, bows or ribbons that you could spare for their Christmas Wrapping Station! Thank you.

Clubs

Lego, Dodgeball & Netball Club have finished now for this term. All other Clubs will run their last session next week.

Parking

We have had a couple of complaints about parking and cars speeding near school. May I remind you not to park on the yellow lines in-between 8am-5pm even if you are just dropping off. The sign is there for a reason. Please can we also urge you all to drive slowly near school. We had reports of a near miss last week at the end of the school day. Thank you.

The Christmas Post Box is Open!

If your child would like to send any cards to friends, staff and/or classmates, they can do so using the school post box from Monday. It will be situated near the Pupil entrance.

Please use the post box to send multiple cards, as we discourage children going round and giving them out individually.

In order for children to receive their cards easily, we ask that the recipient's name is on the envelope together with their class. Also, please be mindful of the small number of children who have the same first name as another child in their class.

Infant Nativity Tickets

Hopefully all families with children in Classes R, 1 and 2 should have received a letter about ordering tickets for the performances next week. If, for any reason, you have not sent back your ticket request, please do so before 9am on Monday, as we will then allocate any spare tickets to people who have requested them.

Junior Opportunity to go to the Ballet

There are a small number of places still available for junior children to experience an evening at the theatre to watch Northern Ballet's production of The Nutcracker. Please send in any requests for places next week. If you cannot find the letter, please email the school office.
