Class 3 Design Some Seasonal Tarts

This week, as part of their design technology work, Class 3 planned, prepared, cooked and sampled some tarts made from seasonal ingredients. 'It was great fun making the tarts. We found out about seasonal fruit and vegetables and created a tart using ingredients we chose ourselves. Mine was an apple tart. It looked like a pizza and tasted nice.' By Romy. 'I think I got better at making food by doing this activity. The best part was putting the ingredients on. I did an apple tart too. It looked good and I gave it to my dad. He thought it was yummy!' By Olly.

Class R Make a Flying Visit to Manchester Airport

Yesterday Class R finally made it to Manchester Airport to spend some time watching the aircraft take off and land. Here's what a few of the children enjoyed:

'I liked the aeroplanes going up into the sky.' By Lucas.

'I liked watching the aeroplanes come down.' By Eadie.

'I liked going inside the aeroplanes and seeing what they actually looked like.' By Minnie.

Marie Curie Daffodil Appeal

We are continuing to sell Marie Curie daffodil badges to support the great work that the charity do.

As a reminder, the suggested donation is £1 and Year 6 children will go to each classroom every day next week, or until they are all sold. Thank you.

Good School Food Awards

I have noticed that Jamie Oliver is currently promoting the Good School Food Awards this year and I believe nominations are open.

I feel that the service we receive from Kirklees Catering (and of course the staff they employ here at Triangle) is great. If your child has a school dinner, why not discuss this with them – you never know – you may feel inspired to nominate the kitchen staff!

The kitchen actually had an unannounced inspection this week and came out of it with flying colours. Well done to the team behind the kitchen shutters!

Collective Worship this Half Term

As usual, I thought that I would let you know a little bit about the theme for Collective Worship until Easter. We will take a weekly look at the value of forgiveness, exploring ideas like turning over a new leaf and forgiving others as we would hope that they forgave us.

It is also wonderful to begin to welcome back Reverend Jeanette and Mr Jeff Crabtree on a regular basis for Thursday's collective worship. As always, if you would like to join us for collective worship, or even take an active role in them, please contact school.
