22/23 – 38

I'm an 11-Year-Old: Get Me Out of Here!!!

Our upper juniors have risen to the task of entertaining us all with their performances this week. I'm an 11-Year-Old: Get me Out of Here was a hilarious play with singing, dancing and laughter.

It was performed to two packed out audiences and I received numerous compliments about the children and their performances on the evenings from many folk who were lucky enough to see the show.

Here's a written comment received by Mr Allen that sums up what many people thought:

'Please pass on that I thought that the show was absolutely brilliant. We laughed from start to finish. I could point out something each and every one of the kids did well! They were exceptional and the dance together at the end made me all emotional! Fabulous creation and the effort the staff went to was ridiculous! Amazing! Xxx'

Thank you also to everyone who bought a raffle ticket on one of the evenings, the money raised will go a long way towards financing the equipment we hired for the show.

Class 4 Yomp to a Local Landmark

This week Class 4 visited Stoodley Pike. We had a fantastic day on Wednesday walking up to Stoodley Pike to enhance our geography topic. The children didn't let the weather stop them having an adventure and enjoy the beautiful surroundings. We were able to spot and draw the features of a mountain and use our compasses to direct us. All the children did us proud and completed the 4 mile trek with a smile on their faces. I think the ice lollies helped!

Wise Words from the Fire Service when they Visited Year 5

Matt and Tay from Halifax Fire service visited Class 5, where they spoke about the importance of putting together a fire safety plan as a family so that you are all clear about what to do in the event of a fire. They asked children to test their smoke alarms at home and if you need any, you can contact Halifax Fire Station who will come out and fit them for free. They also spoke about how to keep safe around reservoirs and the importance of always wearing a seatbelt. A very useful and informative afternoon.

School Council Fundraising

Thank you to everyone who supported the School Council's bun sale this week. It was very much appreciated. The money raised will be put towards the children's wish to create a quiet area in the playground.

Class 3 Visit Stump Cross Caverns

Class 3 headed to Stump Cross Caverns yesterday where they went to consolidate their learning on rocks, fossils and The Stone Age. They learnt a lot about the caves including features such as stalactites, stalagmites and the many different formations, that all had names that linked to their shape. Class 3 also wowed the instructor with their fossil knowledge and then ordered a variety of fossils based on their age and got a clean sweep 5/5! Very impressive Class 3.

Class R Pull in a Bumper Harvest

Reception Class planted potatoes, garlic and onions a while ago and this week they harvested their crops. They were thrilled to see that both the onions and garlic had grown well and they had a BUMPER crop of potatoes! Well done you green fingered lot!

A Message from the School Office about School Money

As we are approaching the end of the school year and some of you will be moving up to new schools, please can we ask that you clear any finance arrears by Wednesday next week. Please check your School Money accounts and clear any outstanding trip money and also pay for any meals up to Friday 21st July. Many thanks for your support with this.

Clubs

Just a reminder that there will be no clubs in the final week.

School Opening Hours from September – A Reminder.

After consulting all stakeholders about my proposal to change the official time the school opens from 8.55 to 8.45, I have decided to go ahead with this change. I have received a very small number of questions about this proposal, mainly centred around whether the bell will go even earlier. As you will be aware, the bell currently goes at 8.45, but we have a 'soft start' for 10 minutes before we officially begin. To answer this question, we plan to ring the bell a few minutes before 8.45. Please note however, that the pupil doors will close at 8.45 and any children arriving after this time will have to use the main entrance. Punctuality is very important, so please aim to have your child at school a few minutes before 8.45 from September. I hope that this makes sense.

This week's Achievement goes to

Stars of the Week:

Class R: All Reception Class

Class 4: Arthur, Holly

Class 1: Blossom

Class 5: Jenson

Class 3: Alex

Writers of the Week:

Class R: Harry

Class 4: William

Class 1: Rory

Class 5: Lucy

Class 3: Cooper
