### Happy New Year!

It was great to see our children back at school after the Christmas break. Everyone has hit the ground running this week, getting straight on with their learning. It has been a quiet week where classes have spent quality time on the curriculum. As the term goes on, there will of course be lots of exciting events to enjoy, but it is good to have weeks like this too, so that expectations can be re-established and children can pick up where they left off before the break.

### Clubs

We have had a fantastic response to clubs this week. So much so that some clubs are oversubscribed, and we have had to start a few waiting lists. If your child has been given a place in one or more clubs, please try to make sure that they attend regularly.

You should have received confirmation which club(s)

your child has secured places at. Please use the school's payment system for any clubs we make a charge for.

### Volunteers in School

The volunteers we are lucky to have in school play an important role. Some bring particular skills and enthusiasms, whilst others come in to lend a hand with whatever they are needed for.

If you would like to volunteer in school and you have the time to be able to do so, please contact the school office. We are always on the lookout for extra pairs of hands. It would be lovely to help the older junior classes with some extra people who have the time to listen to children read, but all classes are happy to have more help.

This may also apply to the clubs we run. If you feel that you could help at an existing one, or have a great idea for a club that we do not currently offer, please get in touch.

All our volunteers would undertake an induction and have an enhanced police check as part of our safeguarding procedures.
