Dodgeball's First Ever Inter House Competition

This week Miss Todd arranged our first ever inter house dodge ball event. Every child took part and age-appropriate versions of the game were played between the different houses.

In the end, the results rested on the final game!

Here's the final places:

1st	Vikings	50 points for their team.
2nd	Tudors	30 points for their team.
3rd	Egyptians	20 points for their team.
4th	Victorians	10 points for their team.

Well done to everyone who took part and congratulations to the Vikings on their victory. There will be a new trophy going in the cabinet, with a green rosette on it.

Netball Friendly

Thursday saw many children from Netball Club take a short journey to The Gleddings for a couple of netball matches. Here's how things went.

'In the first game it took us a while to get used to the size of the court, which was 3 times the size of ours. We suffered a heavy defeat against a good team, but a highlight was Tommy scoring a couple of goals.

The second game was much closer. We dominated the first half, with Lucas and Leyton giving us a great lead. The Gleddings came back strongly in the second half though, just coming out winners 8 – 7.

We had great fun playing and it helped us to understand effective tactics and how to use the full court.'

By Lucas, Isla Bow and Leyton.

Lambs

Special visitors arrived in the playground as we were joined by a ewe and her twin lambs. It was a lovely treat for the children (and the adults) to see them up close.

A big thank you to Bethany for bringing them along for us to see.

Parents' Consultation Evening

Thank you to everyone who attended the parents' evening this week. I hope that you found it useful and informative.

If you did not manage to make it, please arrange an appointment with the class teacher, who will be only too happy to accommodate you.

School Meals

Unfortunately the cost of our school meals has increased by our school meal provider. School meals will now cost £2.70 a day after the Easter break. Thanks.

Our Spring Designs are Appearing

The children's designs using spring bulbs have begun to flower in the raised beds outside Class 2. Take a look next week and see which one you think works the best.

Bring Your Cardboard Boxes to Reception Class Next Week

What better way is there to recycle them to make something new! Next week Reception Class children will be creating castles with their Y6 buddies and they need enough boxes to do it. Please send any clean cardboard boxes into Reception Class before next Thursday. Thank you.

Rotakids Sock Puppet Competition - Judging next Friday!!

Our Rotakids have come up with a creative way to raise a few pounds for a worthy cause – creating a sock puppet! Here's some information they have asked me to share:

HOW TO MAKE A SOCK PUPPET

- Use an old, full-sized sock.
- Turn the sock inside out.
- Cut a shape out of card to make the mouth.
- Reverse the sock.
- Stitch or stick on the face to whatever design you like.
- Some suggestions: Chick, hen, Easter bunny, spring flowers, cracked egg, chocolate egg or a lamb.
- Write your name clearly inside the sock.

There are a number of instructional videos on YouTube which can be viewed by Googling "How to make a sock puppet".

Entries are 50p and we will choose winners and a runners-up on Friday 22.03.24.

Then each winner will receive a large Easter egg and the runners-up a smaller Easter egg.

All monies raised will be donated to the "Happy Days" charity.

Good luck!

Parking

It was reported to me this week that at least one car parked on the main Rochdale Road had parked so far on to the pavement, that a parent with a buggy had to go out in the road to get past. As always, I would ask you to consider walking to school, or parking a short distance away and walking the rest of the journey – park and stride. Failing that, please park legally and with consideration for the safety of pedestrians and other road users. Thanks.

A Theatre Trip to Look Forward to

Next week 30 of our juniors are taking a trip to the theatre to see The Wizard of Oz. It should be a memorable evening. The trip was oversubscribed, but there is another opportunity planned for the summer term and we will give the ones who missed out this time first refusal. I look forward to hearing all about this one next week.
