PTFA AGM

As I hope you are all aware from previous newsletters, the PTFA are holding their Annual General Meeting next week. It will be held on **Tuesday 16th April at 7pm in the school**. It is the one meeting that the PTFA currently hold in school. At the meeting, a new committee is formed for the next 12 months. We can also discuss ideas and events moving forward.

Light refreshments will be available for everyone who attends. Please consider coming along, finding out a little bit about the organisation and how you can help them to continue to fulfil their important role in school.

Netballers Show Great Progress at Old Earth

This week Mrs Forrester and Mrs Moorhouse took two teams of netballers to Old Earth School in Elland to enjoy a couple of games of High 5 netball. Both teams had a great time and showed good progress from their previous game.

The afternoon ended with each school winning one game, but more importantly, ALL children having a great time being active.

Maths Workshop for Our Reception Class Parents

It was lovely to see a good number of parents and grandparents join Reception Class in the school hall for a maths workshop.

Everyone had a go at various maths activities, with the idea being enjoying learning together and letting school demonstrate potential ways to support learning at home.

A big than you to everyone who spared the time to attend.

Eid Al Fitr Celebrations Marked in School

This week Muslim communities in our local area and around the world celebrated Eid. In school, to help us to learn more about this important day, we welcomed a special visitor. Asma talked to the children about Eid and how Muslim families would be marking the occasion.

It was a very informative session and our children seemed really keen to understand more.

The day was also marked by the school kitchen, who put on some extra menu items, such as vegetable samosas and a chicken curry. Again, this was well received by lots of the children.

Our thanks go to Asma for spending part of her special day speaking to the children, and to the school's kitchen staff for supporting the day.

Book Fair

The book fair remains open until the final night which is Tuesday next week. Please come in to the main entrance after school. There are still plenty of books and stationery left, and purchases can be paid for in cash or online.

Thank you for all the support so far!

Book Donations

If you have any good condition children's books that your children have finished with and you would like to donate them to the school for our book corners and library, all donations are always very gratefully received! Please send them in to Mrs Barlow in Class 4. Thank you for the kind donations we have received recently.

Collective Worship this Half Term – Service

As usual this half term, our Collective Worship will centre around a Christian Value. This time we are exploring 'Service'.

We will discuss, amongst other aspects, using our talents to serve others, and helping others without any strings attached.

As always, if you would like to join us for our Collective Worship, or even play an active part in them, please contact the school office.

Class 3 and 4 Performance

Class 3 and 4 have begun preparations for a performance they would like to show parents, carers and friends later this half term. The date for your diary is **Wednesday 8th May**. There will be an afternoon and an evening performance, with tickets available soon and a charity raffle on the night. All of Class 3 and 4 will be needed back in school for 5.45pm on the 8th May (please let their class teacher know in good time if there will be any issue with this). Children will need a simple costume - details on Class 3 and 4's Class Dojo pages. Please support your children with learning lines and song words, and we hope this will be an enjoyable and memorable experience for them.
