Class 3 & 4 Performance – Victorian Voices

Well done to our Class 3 and 4 children who performed brilliantly in their play Victorian Voices this week. Thank you for all the help with costumes. Mr Roberts is making a film of the play. The cost will be £5 for a DVD or £10 for it on a memory stick (you get to keep the memory stick!). Alternatively, you can send in your own memory stick and Mr Roberts will put the film on it for the same cost as a DVD (£5). The memory stick would need to be wiped clean and at least 8MB in size.

Please send any orders in a sealed envelope that is clearly marked with your child's name, 'Victorian Voices' and the option you would like. Please also include the full payment.

On a personal note – as I said at the end of each performance – I am so pleased that we have managed to squeeze in a lower junior performance once again this year. Hopefully this will continue moving forward.

Thank you to everyone who bought raffle tickets at the performances. It raised £160 for Forget Me Not Children's Hospice – a worthy cause chosen by the children.

Don't Tell Anyone – Class R have Seen a Special, Secret Sculpture!

This week our Reception Class children were sneaked to a secret location to see a very special sculpture. A miniature version of The Angel of the North.

'We went on two minibuses and we did an observational drawing of the little version of The Angel of the North. There were loads of sheep and lots of sheep poo! The best part was... EVERYTHING! We enjoyed the drawing.'

By Monty and Alice.

Class 4 Trip

It is our trip to the Victorian classroom in Bradford on Wednesday next week. Please can children come in at the usual time in their Victorian outfits, with a bag containing their lunch. They can bring a maximum of £5 to spend in the gift shop, **but will be responsible for keeping this safe themselves** so please make sure any money is safely in a wallet, purse or envelope inside their bag. We should be back by the usual time at the end of the day. Thank you – Mrs Barlow.

Mystery Key Discovered on the School Field

This week one of our children found a large, rusty key on the school field. It created lots of interest about what it might be for. If you think you may be the owner of this key, please contact the school office. We would love to know more about it!

PTFA Update

At the meeting this week, the PTFA agreed to hold the following events.

Disco - Thursday 23rd May. This is the rearranged disco that was postponed earlier this year. It will run in exactly the same way as was planned before. Any 'tickets' booked and paid for still stand. As a reminder, you have the option of simply paying for your child to go to the disco, or paying for them to enjoy the disco AND to be looked after whilst the other disco is on.

Infants: 3.30pm – 4.30pm. Juniors: 4.30pm – 5.30pm.

The price will still be £3 per child for the disco.

There is extra 'child care' for the time slot where a child is not at the disco. So, for example, juniors between 3.15 and 4.30, or infants from 4.30 until 5.30. If this is what they sign up for the price will be £5.

You will receive a short message next week to remind you of the option you chose.

Fathers' Day Secret Shop - Friday 14th June. We have a parent who has kindly volunteered to coordinate this event, but they will need some help. Please volunteer if you can. More details will follow.

Triangle's Got Talent '24 - Friday 21st June (evening). This event will require enough volunteers to make it work. More details will follow, but please put the date in your diary and help if you can. A planning meeting has been arranged for **Wednesday 5th June, 7pm at Hollins Mill.**

As well as the events above, the PTFA would like to sell ice lollies on Fridays after half term at home time in fine weather. Please help if you can and support them by purchasing a treat or two.

Finally, they are also hoping to sell refreshments for spectators (not the children) at the sports days. Again, to do this will require folk to volunteer to help.

All of the above ventures are designed to help everyone enjoy themselves AND raise funds for projects. They are currently supporting further developments in the school playground (coming very soon) and signage to deter cars parking on the yellow zigzags. Both of these things are planned to keep our children safe and happy, but do not come cheap, so support the PTFA and help them to help school.

Class 2 Receive a Special Visitor

Andrea came in to talk to us about nursing. We asked her all about the nursing she does and we compared it to when Florence Nightingale was a nurse. It was a very interesting and informative session and the children had LOTS of their questions answered. Thank you Andrea.
