SATs – That's a Wrap

Well done to our Class 6 children, who have had to endure their SATs this week. As always, it can be a stressful experience for some children, but they all tried their best and I am sure their results will reflect that.

We can all have our opinions about testing young children in this way – I certainly have mine – but whilst we are required to administer them, we work hard to prepare the children so that they know what to expect and help them to demonstrate how well they are doing. What's more, we set them up for the day each morning with a hearty breakfast prepared by the school kitchen. Bacon, sausage, hash browns and cheesy beans were complemented by cereal, porridge, crumpets, pancakes, waffles, fresh fruit and pan-au-chocolate! Wow!

A big thank you to the school kitchen, and a massive pat on the back to all the Y6 kids, who are on their way to the Lake District as I type for their residential. I look forward to hearing all about their adventures on Monday.

Enjoy!

Class 4 Trip

This week Class 4 took a trip back in time, to visit The Victorian Schoolroom in Bradford. Not only did they immerse themselves in living history for the day; they also got to use their performance costumes again! Here's what a couple of the children had to say about the day.

'We got to do some writing using quills and ink wells. Lots of us 'blotted our copybook' because it was hard. We also did some tough maths questions too. At the start of the day we had our hands inspected to make sure they were clean.

'After we had been to school, we had an opportunity to look around the rest of the museum. It was really cool.

We had a great day finding out what it was like to be a child in Victorian times.'

By Zofia and Abbie, Class 4.

PTFA Disco

You should have had a message this week to remind you about what option (if any) you chose for your child(ren) last time. As a reminder it will run in exactly the same way as was planned before. Any 'tickets' booked and paid for still stand.

Infants: 3.30pm – 4.30pm. Juniors: 4.30pm – 5.30pm.

The price will still be £3 per child for the disco.

There is extra 'child care' for the time slot where a child is not at the disco. So, for example, juniors between 3.15 and 4.30, or infants from 4.30 until 5.30. If this is what they sign up for the price will be £5. Extra places are available for those who didn't sign up last time. Just send payment in a clearly marked envelope.

Children can bring a change of clothes for the disco, but be in their uniform during the school day.

Triangle's Got Talent '24 - Friday 21st June.

As mentioned last week, the PTFA are organising a talent show as the end of year event. There will be stalls, games and refreshments going on during the evening, as well as a talent show where children (and maybe some staff) will be entertaining everyone.

We are going to hold initial 'auditions' during the first week back after half term. We are looking for acts who would like to take part. Singing, dancing, comedy, magic - the list is endless. So come on boys and girls, let's get those talents on show.

Have a think over the weekend and look out for a letter next week where you can sign up for the show.

NSPCC Number Day 2024

This week we got a certificate through from NSPCC regarding our Number Day we held in February. We managed to raise £124.60 with the fantastic costumes and donations that were made. The money we raised will help to change childhoods across the UK. A big thank you to you all.

3 Corners Holiday Club

Bookings are now being taken for 3 Corners Holiday Club. They are open from Monday 29th July to Friday 23rd August. The middle 4 weeks of the summer holidays. Please email threecorners3@hotmail.co.uk to book a place. Thanks.

Parking

Please can I take this opportunity to remind everyone to park legally and responsibly when dropping off and picking up. We have had reports about cars blocking driveways without any consideration for residents. I know enforcement officers would issue a fine if they observed this happening. Your help and understanding with this is always appreciated.

This week's Achievement goes to

Stars of the Week:

Class R: Adelaide

Class 3: Oliver

Class 1: All Class 1

Class 4: Holly

Class 2: Teddy

Class 5: Jude

Writers of the Week:

Class R: Joanie

Class 3: Vanessa

Class 1: Lucas

Class 4: Dylan

Class 2: Rose

Class 5: Lucas
