A Wonderful Day Out at Lotherton Hall – Year 2's Learning in Action!

Our Year 2 children had a fantastic time on their recent visit to Lotherton Hall. It was a brilliant opportunity to bring their classroom learning to life and explore new experiences in a fun, hands-on way.

While at Lotherton, the children enjoyed exploring the beautiful Edwardian house, getting a real sense of what life was like in the past—linking perfectly with their History work back in class. They were fascinated by the old-fashioned rooms, furniture and artefacts, asking thoughtful questions and making great connections to the timelines and historical knowledge they've been building this term.

The Wildlife World was another big hit! Year 2 have been learning all about animals and their habitats in Science, so seeing creatures from around the world up close really helped to deepen their understanding. From penguins to flamingos and monkeys to meerkats, the children were captivated and came back full of facts and curiosity.

Of course, there was also time to enjoy the woodland walks, adventure playground and the chance to have a picnic together outdoors – all part of what made the day so special.

The Romans Invade....Year 3!

A huge well done to our Year 3 children, who have blown us away with their creativity and effort in making Roman shields as part of their topic! From bold designs to impressive craftsmanship, each shield was testament to their hard work and enthusiasm. A massive thank you to parents and families for supporting this project—your help and encouragement have made such a difference!

Clubs Next Term

Clubs for the summer term can be found below. Unlike previous terms, these clubs will run for the duration of the full term, not a half-term, please bear this in mind with reference to any charges being made. Clubs must be applied for using the online booking form which has been emailed out to all parents earlier today. You can also access this form by clicking on the picture opposite. Please read all the information carefully before submitting.

I am delighted that we have managed to vary some of our clubs for the upcoming term - hopefully they will prove popular with the children.

Netball Match Report – A Strong Start to the Season!

On Monday, we took two netball teams to face The Gleddings School in what were our first matches of the season. Gleddings are always strong opponents and these games were no exception—both matches were fast-paced, competitive and full of great play. Our teams gave their all, with the matches ending in 6–3 and 8–2 victories for The Gleddings. Despite the results, there was so much to celebrate in terms of teamwork, effort and skill on show from our players.

★ Ted gave an all-action, committed performance, never once stopping and covering every inch of the court.

★ Rachel impressed with her control and precision in both Centre and Goal Shooter roles, showing real calm under pressure.

★ Nia stepped into the 1st team and played brilliantly – a fantastic debut that showed real promise.

A huge thank you to Mrs Forrester for giving up her day off to coach and umpire both matches – her support and guidance made a real difference to the teams.

Well done to everyone involved – a fantastic start to the season!

Class Dojo - Communication

A quick reminder that if you need to get a message to your child's class teacher on the day, please contact the school office, as Class Dojo messages may not be seen in time.

I've also asked staff not to check Dojo over the holidays so they can enjoy a well-earned rest. If you need to get in touch during the break, please email the school office or Mr Allen directly.

Thank you for your understanding and support.

Easter Service at St Peter's Church

Yesterday, the whole school came together for our Easter Service at St Peter's Church. The children sang beautifully, and it was wonderful to hear their voices filling the church so confidently. The service offered an opportunity for us all to pause and reflect on the real meaning of Easter – a message of hope and new beginnings. As families enjoy the break and (hopefully!) some chocolate eggs, we encourage everyone to take a moment to think about what Easter truly represents. Thank you to Rev Jeanette for having us, to the children for performing so well, and to Mrs Quirolo and all the staff involved in putting the service together.

PTFA Easter Egg Hunt

Today, all of the children took part in a brilliant Easter Egg Hunt organised by our wonderful PTFA. The hunt involved searching for clues hidden around the school playground, with lots of excitement (and a bit of detective work!) along the way. Every child took part and, of course, everyone went home with an Easter egg!

A huge thank you to the PTFA for not only running the event so smoothly on the day but also for all the behind-the-scenes planning that made it possible. It was a lovely way to end the term and bring a smile to everyone's face.

School Lunches- An update

After Easter, we will be moving onto the 'summer' menu - you should all have a copy of this at home already. Also, an early notice: dinner prices will be increasing by **10p per day effective from September 2025**. This will make school dinners **£2.80 per day**. This price rise has come directly from Kirklees Catering and unfortunately, we are not in a financial position to absorb this increase as a school. Children in Reception, Y1, and Y2 will continue to receive universal free school meals.

Reception and Y6 Castle Making

Our Reception and Year 6 buddies joined forces this week for a fantastic castle-building session! Working together, they designed and constructed magnificent castles, using their creativity and teamwork to bring their ideas to life.

This activity ties in perfectly with Reception's current topic on Castles, giving our youngest learners a hands-on way to explore medieval life while developing their problem-solving skills. Meanwhile, our Year 6 pupils showed wonderful leadership, guiding and encouraging their younger buddies every step of the way.

It was amazing to see such imaginative designs, from towering turrets to grand drawbridges! More importantly, the children showed kindness, patience, and collaboration—true teamwork at its best!

STAR Awards - Spring Term

Enthusiasm

Effort

Above and Beyond

Values

Progress

A huge well done to this term's STAR award winners! Your hard work, dedication and achievements have truly set you apart, and we're so proud of each of you. Enjoy your trophies—they're a symbol of your brilliance!

Please take care of them and keep them polished, as they'll need to be returned just before summer to make way for our next set of superstars.

Thank you for shining so brightly and inspiring others with your efforts. Keep up the fantastic work and we can't wait to see what you'll achieve in the new term!
